ECONOMIC STIMULUS PACKAGE II

Keep cool with Cool Jet

Cool Jet now inclusive!

Good ideas prevail.

More and more experts get their tool holders equipped with Cool Jet bores. Therefore tool holders with Cool Jet are in stock at Haimer as of now.

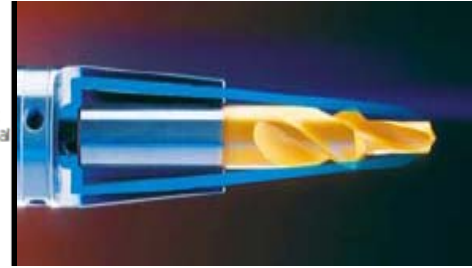

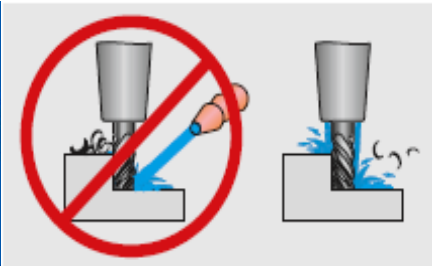

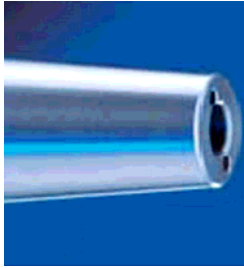

You save £ 20 per holder!

Use:

- Optimal cooling for shrink fit and weldon tool holders.
- Coolant directly to the cutting edge
- Extended tool life up to 100 %
- Higher reliability of cutting process
- No more balls of chips on tool

Function at high spindle speed:

Previous coolant bores: straight
Optimized coolant bores: aimed at center

Cool Jet bores available for following articles:
